# PwC Global Network

PwC global network is one of the world's largest professional network of services firms. Drawing on the knowledge and skills of more than 250,930 people in 158 countries, we build relationships by providing services based on quality and integrity.

PwC's people around the world are united by a commitment to quality and excellence. To that end, we have developed global audit methodologies, processes, knowledge bases and technologies, and we continue to rework and refine them. Our firm comprises a worldwide group with a multidisciplinary skill base and deep expertise in financial and business affairs as well as a shared dedication to common values and ethics. We are business.

## **Our people**

To be the leading professional services network and provide our clients with the quality advice they deserve, PwC needs the best talent. In FY2018, our global headcount grew 6% to more than 250,930 people.

Our talent strategy is drawn to help our people continuously develop their skills, grow their careers and deliver consistently extraordinary results for clients. With 64,776 people joining PwC firms around the world in FY 2018, PwC's global presence remains strong with offices in 721 locations across 158 countries.

## **Unrivalled client base**

The strength of our Global Network means that we work with an unrivalled client base, and that we can share our most valuable practical experience and knowledge of best practices with clients around the world, both within their industry and across industries

Our clients range from some of the world's leading multinational companies to new and growing enterprises, from large family businesses and governments to NGOs and private individuals. And they're located in nearly every country in the world.

# PwC Global Network (cont'd)

But whoever our clients are, and wherever they are located, they can expect the same high levels of service. We focus on the value they're looking to create and deliver our strong global network with deep roots and local knowledge.

PwC firms is proud to have the largest Global 500 clientele. In the past year, we have helped 429 (86%) of the companies in the Fortune Global 500 list, and 410 (82%) of those in the US Fortune 500 list. We also advise and work with more than 100,000 entrepreneurial and private businesses around the world.

## ***A truly global financial services industry practice***

PwC has a holistic approach to serving all sub-sectors within the financial services industry. We recognise that clients need auditors and advisors who are sub-sector specialists - banking, capital markets, investment management and insurance. We have aligned our practice with the industry's structure to ensure that our professionals possess a comprehensive understanding and have sharp insights of our clients and the sub-sectors in which they operate to deliver value to our clients.

The PwC Global financial services group, with its 38,200 professionals, including more than 1,900 partners, delivers professional services to clients in all of these sub-sectors and generates about 30% of PwC's global income. PwC firms is the market leader in all major sectors of the global financial services industry.
